Park, playground, and boardwalk area

**60 minutes walk at a leisurely pace**

This clear and easy walking path continues along the sea shore. You can see the Kasumi-nishi fishing port, a white monument, and point where the Yadagawa River meets the sea.

**60 minutes walk at a leisurely pace**

Pass through the torii gates on the road to make your way to the Shinto Shrine. Take a breather at the top of the hill in Okami Park, and stroll along the single path where you can enjoy the sunlight filtering through the trees. The fishing boats will come into view once you descend from the hill, just one of the enjoyable views created in this hilly area.
