

Night Junior High School is this kind of school:

Eligible people:

People who could not take compulsory education for various reasons.

People who did not learn enough because they refused to go to school or for other reasons.

Foreigners who could not finish compulsory education in their own country.

Class is fun!
It is great to have a chance to re-learn.

Learn comfortably in an at-home atmosphere.
After graduating, I want to proceed to high school.

I want to study Japanese society and culture and make my dreams come true.
